# ELLIPSOS ACADEMY

## AN OPEN ACADEMY

Ellipsos Academy is for all saxophonists from music schools and academies who have played the saxophone for at least three years, either minors or of age. The already existing saxophone quartets are welcome too. According to the demands of the trainings, the Academy reserves the right to accept or reject any candidate. An email will be sent to confirm the registration.

## A BEAUTIFUL SETTING

Ellipsos Academy will take place in the Royal Abbey of Celles-sur-Belle from the 16<sup>th</sup> till the 23<sup>th</sup> July 2018. Located only half an hour from Niort, this exceptional site dating the 17<sup>th</sup> century gives an ideal setting for this event. Lessons, concerts and accommodation are given on the spot.

## A COMPLETE AND INTENSIVE TRAINING

The seven experimented teachers offer a demanding training adapted to the level of each student and focused on an instrument and music progress. Throughout the week, students will be given quartet lessons or individual lessons, as well as master classes. A particular attention will be paid to stage performance and the preparation of concerts (presentation, the choice of a repertoire and appearance).

## THE BLOW FESTIVAL IN DEUX-SÈVRES

The students will play together with artists during the festival. They will organize an ambulatory show for the Fondation du Souffle at the end of the Academy and they will take part in it.
